

# Account manager

📍 London, hybrid, remote

## About position

### Your responsibilities

- Work closely with clients and serve as the key point of contact. You'll manage deadlines and the execution of day-to-day activities on our campaigns, coordinating with the team and third-party vendors.
- Develop a wide variety of engaging content from infographics, to whitepapers, to video scripts. You'll own the process, from the concept to the finished product.
- Define and track key metrics.

### What we want from you

- 3-4 years of experience in various aspects of marketing (content marketing, social media, paid acquisition). Experience in an agency is a plus.
- B2B marketing experience is essential, and tech B2B experience is highly preferred.
- A brilliant and confident writer, talker, and listener.
- High tolerance for ambiguity and complexity.
- Eager to learn.
- Action orientated – not afraid to get your hands dirty and put in the time necessary to get the job done well.
- A desire to work in a fast-paced environment that requires initiative and independence.

## What we can offer you?

Competitive remuneration package.

Friday afternoons off.

The equipment and tech that you need.

Learning and growth opportunities, including weekly training sessions and mentoring schemes.

Part-remote or remote workplace, depending on your preferences and proximity to London.

A vibrant and supportive team, as well as the loveliest clients in the business.
